

### Inviting Elected Officials to Your Event

Baruch College welcomes elected officials on campus as part of our educational, civic and cultural responsibilities to our students and the larger community. However, before any invitation is extended you must coordinate your plans with the College's Director of Government and Community Relations, Eric Lugo. Eric can be reached at (646) 660-6095. Eric will use his experience to assist you in navigating the invitation process and can apprise President Waldron to ensure she is aware of the request and available if needed on the day of the event.

Approved by the Cabinet, 2006
